I ♥ DOGS

This is a program just for kids, aged 8yr-13yr old. The program instructors are experienced elementary & middle school teachers and the demonstrations will be given by Teamworks Dog Training instructors. Because this is an after-school program, kids do not bring their own dog to this program, but there will always be a demonstation dog on hand to interact with. This program is perfect for the child who thinks they might want a dog someday - or who has a dog at home who might be too old to attend group dog training classes. It's also perfect for the aspiring veterinarian or dog groomer or for the child who needs to be inspired to do more with their own dog at home.

Where: Teamworks Raleigh

Address: 8411 Garvey Drive (Suite 125)

Days: Mondays & Wednesdays

Hours: 3- 6pm

Cost: $25 per day or pre-purchase a package deal of $40 for both a Monday and Wednesday session.

Sign-Up at **teamworkstraining.com** or call 919-855-0422 (Mon-Thurs, 4-6pm)

Drop-ins will be accomodated as space allows.

Teamworks Philosophy

Dog Training is about creating a good relationship with your dog, based on a sound understanding of dog behavior and learning theory.

Our Mission Statement

At Teamworks, our goal is to help you create a successful relationship with your dog by building trust and mutual understanding. We believe in and use family-friendly, humane training methods that enable effective communication between people and dogs. We teach our classes using positive-reinforcement based training and encourage the use of humane "people empowering" techniques. We do not use or tolerate harsh physical punishment-based methods, as that outdated style of training has been shown to damage the bond between dog and person, and often escalates aggression. We subscribe to and agree with the humane training standards set forth by the National Association of Dog Obedience Instructors, The Association of Pet Dog Trainers and the American Veterinary Society of Animal Behavior's recommendations for dog training.

Rated "The Best of Raleigh" in Dog Training in 2009, 2010 & 2011

I ♥

After School Program for Kids

ages 8-13

KIDS!

Learn all about dogs & being a responsible dog owner!

Tic-Tac Bone

Program includes units on:

- Caring for your Dog
- Responsable dog Ownership
- Safety Around Dogs
- Reading to a Dog
- Doggie Arts and Crafts
- Dog Trivia Games

Fun Fact:
Greyhounds are the fastest dogs on Earth and can run at speeds of 45 mph.

Fun Fact:
The oldest dog on record was an Australian cattle dog named Bluey who lived 29 years and 5 months. In human years, that is more than 160 years old.

Demonstrations Include:

- Service Dogs & Therapy Dogs
- Agility Training for Dogs
- Canine Musical Freestyle
- Rally Obedience
- Treibball
