SITE INFORMATION – Teamworks Dog Training

Trial Site: It is not appropriate to visit the trial location for practice the day before the trial date.

- Teamworks Dog Training does offer RV parking on site, **but you must adhere to the signs that indicate to stay out of where the search areas are, even when it is not trial hours.** RV Parking with 30 amp hookups is available on site by reservation only. See this page for reservations: <http://www.teamworksdogtraining.org/rentals-reservations/>.
- There will be NO crating indoors. **Please plan to crate out of your car and bring shade and fans for your dog.**
- All dogs must be on leash at all times except when in the search area.
- Teamworks Dog Training will not be responsible for any lost or damaged items left at the show site.
- The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport.
- It is expressly understood that exhibitors alone are responsible for the behavior of their dog(s) and/or children. Any exhibitor whose dog(s) and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of Teamworks Dog Training, be asked to leave the show site. In that case, no refund of any fees paid will be made.
- Any handler who is found to abuse a dog will be disqualified and reported to AKC.
- You must clean up after your dog. If a handler is found to violate this rule, future entries will be refused.
- Interior will be held inside the Training Hall, the Wag Center and other nearby structures. Exterior, Buried, and Containers will be held on the grounds, either outside or under cover.
- Coffee, bottled water, and individually-wrapped snacks will be available in the clubhouse.
- **Lunch will be available each day for an additional fee or at no cost to anyone who volunteers to help. 😊**

WAIT LIST INFORMATION

The Youngsville Agility Club of NC will offer a wait list to fill openings withdrawn after the entry limit is reached.

No entries may be withdrawn with a refund after the closing date. Any wait list entry that does not receive a spot in the trial will receive a full refund.

STAGING AREA

The staging area will be out of view of the search area. The search area will be clearly marked with flagging tape and signs. The staging area will include a warm-up and waiting area, as well as a hospitality area.

HANDLER'S BRIEFING

The handler's briefing will take place in view of the search area prior to the start of each class, after the hides have been set, and after the demo dog has run. In the handler's briefing, the judge will explain if there is an off-leash option, the maximum number of hides, and the maximum time for the search. **NO DOGS MAY BE**

PRESENT FOR THE HANDLER'S BRIEFING.

WARM-UP AREA

The warm-up area will have one labeled container per target odor, as well as blank containers. Exhibitors should limit their warm-up to one minute or less. The warm-up area is to be used exclusively for warming up the handler and dog and should not be used for relieving the dog.

NOTICE TO EXHIBITORS – IMPORTANT – PLEASE READ

Safety, Behavior, and Liability: The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs, children, and spectators. Any exhibitor whose dogs, children, or spectators create an unnecessary disturbance or engage in unsafe or disruptive behavior may be asked to leave the show site. In such case, no refund of any fees will be made. Teamworks Dog Training, and its agents, owners, and employees will assume no responsibilities for any loss damage or injury sustained by exhibitors or handlers or to any of their dogs or property, and further assumes no responsibility for injury to children or spectators. Youngsville Agility Club of NC and its agents, owners, and employees will assume no responsibilities for any loss damage or injury sustained by exhibitors or handlers or to any of their dogs or property, and further assumes no responsibility for injury to children or spectators. No one shall have any recourse or claim against Teamworks Dog Training, or the Youngsville Agility club of North Carolina, or any official thereof. The competitor expressly agrees that AKC and Teamworks Dog Training, and the Youngsville Agility Club of NC and any other person of said groups shall not be held liable personally or collectively, under any circumstances, for injury, and/or damages to him/herself, for loss, or damage to property, whether due to uncontrolled dogs or weather, or negligence or any other causes. The competitor agrees to assume all financial liability that may be incurred due to the actions of themselves or their dogs while on the property of the trial site.

COLLARS, LEASHES AND HARNESES

As per Chapter 5, Section 9 of the AKC Regulations for Scent Work Dogs must wear a properly fitted collar or harness approved by the judge. The harness will be constructed of plain, pliable material and will be designed so that there is minimal restriction of the dog's movement. No special training tools, such as electronic collars, prong collars, head halters, or no-pull harnesses will be permitted during the search. Martingale collars are permitted. No odor-emitting collars (such as no-bark collars that spray citronella, or DAP calming collars) may be worn or present in the search area. A wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after their search. The leash should be made of plain, pliable material. Any length of leash and/or retractable leashes are permitted for use during the search. The leash can be used to gently guide the dog away from the boundaries of the search area, but cannot be used as a correction device. Most searches will be conducted entirely on leash, but an off-leash option may be offered at trial.

SCENT WORK TRIAL RULES

Possession of Odors and Training: Chapter 5. Section 26 of the Scent Work Regulations state that "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than in the designated warm-up area"

Spectator Area: Any person not handling a dog in the current class or any person who has already completed their run in the current class may choose to watch the search from the designated spectator area. No person outside the search area may assist the handler or disclose the location of the hide. Spectators who give aid to a team will be asked to leave the area by the judge. Spectators may not discuss details of the search with handlers who have not run the class yet.

REFUNDS

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee. Dogs pulled after closing because of injury or other medical conditions are eligible to a 50% refund by supplying the Trial Secretary with a certificate from your veterinarian dated the day of the trial(s). An Administrative Fee of \$5.00 will be withheld from all refunds for entries cancelled prior to the closing of entries.

BITCHES IN SEASON

Bitches in season are not allowed on site. All but \$5.00 of each entry fee may be refunded for bitches who come in season after the closing date by supplying the Trial Secretary with a certificate from your veterinarian dated the day of the trial.

EXHIBITOR RULES

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. The Club has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

Exhibitor check-in: Dogs may arrive at any time prior to their scheduled time of judging. Dogs not required for further judging are free to leave the trial site. All dogs present must be held on leash or confined to their crates except when being judged. Judges will not wait for any dog holding up a class. Owners or agents are responsible for the presence of their dogs in judging ring when their classes are called. Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

All exhibitors should obtain a copy of the Regulations for Scent Work Trials by downloading them from the American Kennel Club website.

Claims will be arbitrated as set forth on the Official AKC Entry Form for this event.
